“ I met Elder Middleton when I was very young working on the steward board. He was very honorable and fair man . He would listen to all and try his best to do what was right for all not just some. He and I share the same birthdate February 24. Even when he was no longer serving the AME church as elder, he treated me as though he still was my elder. I will miss his thoughtfulness and his sense of humor. Truly, the the church has lost a great leader. When I think of him, sometimes it makes me sad but I know you are in a better place. For that I am grateful. for Earth Has No Sorrow that Heave Cannot Heal.

“ *We Praise God for allowing Presiding Elder Middleton to be a part of our lives. He loved Doris calling him papa and he called her daughter and me son. The wisdom that he shared with us is being passed on to others. His favourite quote: "Know who you are and whose you are too." We are praying for the family and friends.*

“ To Pat and family, on behalf of the McPherson family- we extend to you our heartfelt sympathy and prayers. Elder Middleton lived a good life of 91 years. This is such a blessing. You all cared for him the best that you can when he was unable to care for himself. He loved you all and I know you loved him. The memories we have of Elder Middleton, ‘Papa,’ is PRICELESS!! So cherish those memories (laugh/cry)- as we will. I can go on and on with memories; but I just wanted to share our condolences. May the Lord be your Comforter and Strength as you go from day to day. God bless and keep you is our prayers.
