“ *Life is but a Stopping Place
Life is but a stopping place,
A pause in what's to be,
A resting place along the road,
to sweet eternity.
We all have different journeys,
Different paths along the way,
We all were meant to learn some things,
but never meant to stay...
Our destination is a place,
Far greater than we know.
For some the journey's quicker,
For some the journey's slow.
And when the journey finally ends,
We'll claim a great reward,
And find an everlasting peace,
Together with the Lord*

“ To The Duggins-Coaxum Family, My sincere thoughts and Prayers are with you all in your time of Bereavement. Mummy was an exceptional irreplaceable women. I first met her when I started working to MUSC back in February 1992. My Spirit immediately fell in love with her. Once she found out who I was she took me under her wing as her own child and covered me until the day she retired. Had God not allowed our paths to cross I wouldn't still be at MUSC today. Heaven has gained another Angel and I am forever grateful for the blessings of having her be a part of my life. I will always remember her and the love she shown me.
