*I will miss my sister/cousin "Jean". Growing up you were the best big sister I could have asked for. I will always remember sitting on the front porch of Grandma and Pappy with you teaching me how to color within the lines. You will be missed.*

“ *I will always remember Anne, Ann with an e as I called her. Her meek spirit and her soft spoken voice. She was a strong willed lover of God. My sister in law will be missed. However she is with her Lord, He wanted her home with Him. She will truly be remembered.*
