“ To the Family of Rev Anthony Duncan you have my deepest sympathy in the loss of your loved one. To be absent in the body is present with the Lord. Another soldier has gone from labor to reward. May you find peace in knowing he's resting in the comfort of the Lord, I pray your strength in the Lord.

“ My heart is filled with joy but yet sadness. Pastor Duncan named my 2 girls Mary Mary from the day he heard them singing. I never knew if he ever knew their first names. But what an awesome Great man of God. I often paired him to Rod Parsley because the way He shew those scriptures out is His mouth lets you know that His study time was not play time. His teaching was always phenomenal and He was a on time Pastor!!!! His services was definitely not CPT. Him and his beautiful wife were so adorable and my heart goes out for you Lady Duncan, may this entire family be bless as we all will miss a vessel that we know God gained and His work down here was exceptionally well and so He now gets to hear come on up Thy good and faithful Servant.... Peace to the Family and New Hope Baptist Church..... Love Pastor Harriett Blake and the Girls Mary Mary. 🙏

Sending my condolence to the Duncan family, may God give you the strength to carry on. Yes! Brother Anthony was a great person, the best I ever know, always kind and such a beautiful soul, yes he will be missed! But in my spirit He will be saying to all that know Him, Let nothing separate you from the love of God. In times like these with so many distractions, it could be easy to step out of the will of the Lord. This is where relationship comes into the picture because He said His sheep will know His voice and a stranger they will not follow (John 10:27). When you feel yourself drifting off the path of righteousness and you hear that still small voice calling you listen to it and be obedient. We all have a purpose here while we are here on this earth, But know that brother Duncan was doing the will of God. It is so much I would love to say, but the Duncan was like family to me. So I can only say that He was love. RIP my Brother in christ Jesus name, Amen. Love always. Sister cornelia Brown kelly. From Pasadena Maryland.

“ When pastor first came to our church, he didn't even know my name. He stopped me in the parking lot and said sister I want To know if you would be on the Intercessory prayer Team, I said yes, sir. Because obedience is better than sacrifice and from that day I've been on post. Thank you for continually. Remind us that we are in it to win it
