“ *Joyce and Robert Young. N. Charleston, SC.*

You are in our thoughts and prayers. Art I was just getting to know you when your dad went to his heavenly home. But the way you treat people outside your family is a heavenly example of your dad & mom's up bringing. Hope to get to know your mom. The hurt is now but in time please think of the wonderful times & things you did with & for your dad. It will put a smile on your face & a warm feeling from God in your heart. May the Lord God be with you in every step and bless your whole family.
