“ *To Grandparents Oscar and Amanda,*

Words cannot express our deepest sympathy in the loss of your grandchild (our dear cousin) who was in the prime of her life. It seems like just yesterday when we were all seated at your kitchen table, laughing uncontrollably while enjoying a game of Blank Slate. It is a memory that we will hold dear to our hearts. Please know that we are here for you and will continue to pray God's peace and comfort for you and the family.

“ *To the Walker family,
I'm sending my sincere condolences. I spent last summer working with Ms. Walker at Camp PI. On my worst days just sitting in her presence changed my attitude. She exuded a peace about herself that's not even explainable in words. I will miss seeing her at JIES as she walked her kids to and from. Walker this caught me by surprise but sleep in peace Soror til we meet again.
Love,
