“ *My name is Brett Anderson, and Earnestine was basically a second Mother to my brother Derek and I through the years. She is truly one of the most amazing and loving women I ever met, and she is one of the main reasons I turned out to be the man I am today. Her hugs were the best in the world, her laugh brought happiness to all, and her grilled cheese sandwiches were world famous... She is truly an angel in every sense, and I feel so blessed and fortunate that she was the woman to raise my brother and I along with our loving parents. Earnestine had a heart of gold, and even though she is no longer physically with us, we all know that she is not far away! I love you with all of my heart Earnestine, and thank you for gracing my family with love and kindness through the years. I'll make sure to let you know how we are doing from time to time, and I look forward to the day when I can get another one of your amazing hugs in the clouds above. We all love you, and we will miss you... You are truly our Angel now, and we will never ever forget you. Love, Bretty*
