“ Lisa, so sorry for your loss. As a co-worker and friend of your late father, BOZO, who introduced me to your grandmother, I remember her as being a very warm and kindhearted person who always gave us very good advise. Please know that you and your family are in our continued thoughts and prayers.

“ *Shannon, my heart is broken for you. I know how much you loved and admired your sweet Granny. I so enjoyed seeing her sweet face at all of your celebrations. The pride she had of you beamed out of her like a light. She had such a beautiful spirit. Embrace all the memories you have and hold them tight until you meet again. All my love. Shawna Collier*
