“ *My heart goes out the Holmes' Family. Before I met Elouise my husband talked about Mrs. Elouise so much. How her and her husband would go to town with his mother and father, Eva and Drummer. Every time we would see Mrs. Elouse(Aunt) she will ask Mike about her shoes, that he promise her for Christmas when he was a lil boy. Finally a few years ago Michael brought her those Shoes.*

She would also speak to me and say " hi" and made me feel like I was part of the family. What I admired about her the most is that her and her husband was a team, something God's honor. I know she has a special appointment in Heaven. My church sister. My prays goes out to her son and his family and the rest of the family member.

“ *Eloise could grow the longest and strongest fingernails I had ever seen. Therefore, I gave her the nickname "Nails." Everyone I called her "Nails" she would smile. S.I.P. "Nails"*
