“ *Daddy,*

Seeing this posted made it so real. I still don't want to accept you're gone, but the memories will last forever. You didn't miss a birthday, Mother's Day, Christmas, Easter, etc. I will continue to cherish every letter and every card I have. The past 3 years have been the toughest, but I'm privileged to have been there for you how I could. Team EJB loves you and miss you already. -Babygirl, EJ.
