“ *To my family: I am so sorry that I am not able to rejoice and/or mourn with you today. Remembering Aunt Frances to be one of the kindest, gentlest persons I know. I can't ever remember her losing her temper. I only remember that beautiful smile and pleasant, welcoming voice. Yes, her physical presence will be missed but the years of wonderful memories will forever be etched in our hearts and spirit.*

I pray the Lord will saturate you with His peace today and in the days ahead. Remember He is with us and we will see Aunt Frances again in glory more radiant than what we'll ever know. To God be the glory for this thing He has done!

“ *To Rev. Middleton and family*

May you know that you are in the prayers of many whose hearts are knitted to yours, mine in particular.

Frances and I worked together at Sea Island Comprehensive Health Care Corporation for over 15 years. She was always so kind and fun to be around.

Family, I know you will miss your loved one, but in remembering her, reflect back on the good times you shared with her.

May you find comfort in knowing that the Lord is forever present , and ready to do for you what you journey through your grief and sorrow.

God's peace and love be with you.
