“ *Dear Nancy, John, and children, Mrs. Jamison was such a lovely lady. I enjoyed getting to know her in the mid 1980s when she graciously agreed to come help me at my first home on Queen Street. I really looked forward to those days when I knew she would be walking in the door! And Nancy, I would not have gotten to know you and then later, all of your sweet and beautiful children who were so little then, if your mother had not broken her ankle and sent you in her place. She was a lovely, lovely lady, and I know she will be missed by all who obviously cherished her. Love to all of you. - Vaughan Alsbrook*
