“ *I got the news that my dear fellow nurse/co-worker and friend Mrs. Coneys, passed away. She was one of the best nurses I've ever worked with! She would always greet us with a praise to the Lord and teach to always be thankful... even days when we had to run through the floods of downtown Charleston to arrive to work soaking wet... she taught to give praise anyway. She was stern and taught me many lessons about nursing and how to care for the elderly... lessons that stay with me today. My condolences to her family. Praise the Lord, Mrs. Conyers you are now home, may you Rest In Peace, in Jesus previous name, Amen 🙏🙏🙏*

“ *My heart is so heavy with the physical loss of my former co-worker. Each conversation with Mother Conyers while at work or in any setting left me feeling encouraged and determine to run on in Jesus. She was all about seeing God and her life reflected this! Of course she would say that she had not always done the right thing, but since turning her life over to Christ, she was determine to see Him and please Him. Family, rejoice for the angels are rejoicing and she is pain free and at rest! I am praying for your peace and comfort! With love, Alicia Green*

“ I'm so sorry to hear that Ida has passed. She spent several years taking care of my mother, Hester Livingston, before mama moved into assisted living. Ida was a tremendous blessing to us with her very capable and knowledgeable caregiving abilities. She also had a wonderful sense of humor. Mama and I enjoyed our time with Ida. I'm praying for the family for comfort and peace.
