“ On behalf of the El-Amin, we want to extend our condolences to the family. Brother Ali was one of my father's best friends and I remember him coming to the house and the two of them talking and laughing for long periods of time. You were loved by many because of your kind heart and spirit, may the works and good deeds be remembered. Brother Ali you will truly be missed and I pray that God grants you your entrance into heaven in the after life.

“ On behalf of the Forest Hills I Community,

You have our deepest sympathy on the loss of Mr. Ali and we pray that during this tough time, his sweet and happy memories bring you comfort.

Mr. James Ali was a person that cared about his community. He would often be spotted out in the neighborhood cleaning up on his own and doing it all without any help. This initiative inspired others to follow in the daily task of keeping our streets clean. Even when Mr. Ali had trouble moving around, he still worked hard cleaning the community while moving around with the help of a crutch.

It's a huge loss for the neighborhood. An exceptional person that will truly be missed. We will always be thankful for your love and the pride you had for our community. Sleep in peace Mr. Ali.

“ *Sending lots of love and sympathy to the Ali family during this tough time. Mr. James Ali was an incredible person who really cared about our community. Often he could be spotted out in the community cleaning up on his own, doing it all without any help. Even when he had trouble moving around, he used his crutch to walk the streets and picking up trash. Due to this commitments, he inspired us to do the same.*

It's a huge loss for our neighborhood. His love for the community has inspired us to be great. We thank the Lord for Mr. Ali and may his family be comforted by the many, many happy memories as he rest in peace.
