“ *To the family of James Richardson, I work at the Library in Hollywood; and James and his grandson, (who looks just like him), comes in all the time. When he's in school James comes in alone and reads the paper from front to back. He keeps me informed of what's going on in the community and always lets me know who has passed on that we both know. :( He went to school with my deceased nephew (Burger). I will surely miss James. Weese be encouraged. GOD is real and so is LOVE. You loved him and I know he loved you.*

*Prayerfully Submitted, Emma Mungin Campbell, bka, Shirley.*
