“ Hi Family! I don't even know where to begin. I know that we're born to die but this news threw me down. Nora has been in my life for about 45 years. The Morher of My Best Friend Millie became a second Mom to me. She treated me like her own and poured into my life with words of encouragement and wisdom. Her drive was impressive and she love everything about family. She welcomed me into her family with welcome arms. She stood by us as we did what teenagers did then as we became adults and started our own families. There was no judgement from Nita, just strong words that would propel you to make better decisions. Your love, smile, and laughter will certainly be missed. We are sending hugs and lots of love from South Carolina, Virginia, and Maryland. Millie, My Sister from another Mister I Love You to the Moon and back! Always. My Little Sister Crystal, I Love You and will Always be here for you. To My Nephew Justin stay strong and hold onto God's unchanging hands. We will continue to lift the entire family up in prayer today and the many days ahead.
