“ *Poochie and Family,*

*So many great memories with Mary Mary; even though we are not officially "family", she will always be family to me! We had some great times in Smithfield and I always loved spending time with her. She truly loved her grandchildren and great grandchildren!!! I am so glad that I had the opportunity to visit her for her birthday this past October. I will always remember her saying, "Special Case".*

*Love always,
