“ *A Basketball Journey Remembered*
As some people journey through life, they
leave footprints;
I followed the same path as Mike. Burke HS
... Tennessee State University.

Later as MEN from Charleston, SC. Our path was forever
connected and we kept in touch. He was a basketball legend, with a
gentle spirit and kind heart. Now that he is gone, I can still look back
and clearly see the trail of basketball players he left behind.

Praying that his family be comforted with precious memories and
God's presence to care for you in your loss. The bible says, " ...
Those who believe in Me, even though they die, will live, and
everyone who lives and believes in Me will never die." - John 11: 25-
26
