“ *Best Friends are together again:*

My mom Min. Josephine W. Smalls and Mother Rosalie M. Doctor. These two were inseparable. On Saturday's, I was the "My Favorites" Driver for my mother's group of friends: Rosalie Doctor, Lottie Moore, Essie Washington, Mazie, Moultrie, Idell Moultrie, and Tony Washington's mom; Mildred Washington. They would save a favorite thing for one another each week and I would drive from The Jam to Petersfield Road cross the Branch to Church Hill to Edisto to Ponderosa to James Island and back home to the Jam. They sent Catfish, oxtail, fish head, knuckle, books, bacon, fabric, hats, purse, you name it, these friends had me on the road early every Saturday morning in 1980's until my mom passed and went home with the Lord 10/15/1989. Mom is gone, Lottie, Essie, Mildred, Idell, Mazie, and now Rosalie. All of these women were born again believers, filled with the Holy Ghost. They were willing workers in their community and Churches. They were the movers and shakers of COOLJC. They traveled together to conventions across the country. You are all back together now ladies Mother Rosalie have linked with you all once more. Especially with her Bestie, my mom. Sleep on Mother Rosalie Doctor, take your rest. Give my Mom, Dad, Sister, Brother, Boo, and Shirl a hug. 🥹🙏
