“ My condolences to the family. I always enjoyed the conversations Lisa and I would have about her parents. I've never witnessed a more loving couple and close family. I pray that God will strengthen you all to get through this. Hold on to the great memories and know that we will all meet again one day. Be Bless Family, Love you! Lillie D. Washington-Joseph

My sincere condolences to the Nelson family on the loss of your patriarch. Lisa, you would share stories with me about your parents and the extreme closeness you share. Now your dad is looking down watching and smiling. You will have those moments where you will cry out for him but know he is always with all of you. Blessings.
