“ To the Fludd family,  
We have known you a lifetime. I would always look forward to seeing Mrs. Fludd at church, with that warm and friendly smile. She was a woman of honor, grace, and I might add beautiful and a sharp dresser. She always had great conversation and I truly enjoyed her company. I can't thank her enough for bring Anita Fludd Wheeler into the world. A bright and shining star in our lives. My sista from a very special mother. We love you so much and will truly miss you. May God give strength and peace to the family. Know that she will always be with you.

Love
