“ *Mrs. Stanfield was one of the most dynamic teachers I have ever had. She taught from a place of knowledge, she was a no bull instructor. She could also make you laugh until you cried while teaching you every thing she had. Your were moved then and now more than words could express. You are missed but in the hands of GOD!* Rhonda Leveille

“ Mrs. Stanfield was a wonderful, sweet, and encouraging person. She was my instructor at MMTC back in 2002. She was always encouraging and never too busy to help you. She had a very uplifting spirit and that's something I'll never forget about her. I want you all to know that Mrs. Stanfield will be sadly missed. You all are in my prayers! May God continue to Bless you in your time of bereavement and after when the calls have stopped and the visits become few because that's when you will need him the most. Heaven has gained a beautiful angel!
God Bless,

“ Good morning,
I am Ms' Greta Gethers, a student of Mrs. Stanfield. To her family I am truly sorry for your lost. It was a honor to have her for a teacher. She was a wonderful person to be around. Every chance I get I always had to go to her office just to say hi or just to look in her face to see how she were doing. She will truly be miss and I will keep the family in my prayers.
