“ *I met Mrs. Whaley as I was a caregiver of hers. Mrs Whaley was a very special person to me and her smiles that she gave me were precious. She would be looking for me thru her window as I drove into her driveway. We would walk thru her house dancing and enjoying one another's company as we played cards. She would hold my hands or just touch me and smile as we laughed about different hair styles on tv or in a magazine. Whenever I did something for ,she never forgot to say thank you and smile at me . I will truly miss her but I know that God loves her more than I do. I will also miss her smiles as I came into her room and as we shared our special good Morning greetings. Hugs to you Jozetta and your two sisters. Sherrie Ford*

“ *To the Whaley Family and my Aunt Anginita, you are in my prayers and my thoughts! I pray you are able to feel the prayers of family and friends as you go through this period of transition. I love you and remember "EARTH has NO SORROW that HEAVEN cannot HEAL"!*
