“ I send my heartfelt condolences and prayers to my Johnson family. I left Charleston when I was 5 and couldn't remember much about Aunt Victoria except her name. When we would come down to visit my dad made sure to take my brothers and me to see her. One of my best memories came when I reconnected with her at my mom, Anna Bell's funeral. I looked at her and thought, that is the prettiest, chocolate lady in this room. Auntie you will be missed and most of all by your family. Rest Easy, your battle is over. Love always.
